Cautionary Note Regarding Forward Looking Statements

Certain information presented in this press release may contain "forward-looking statements" within the meaning of the federal securities laws, including the Private Securities Litigation Reform Act of 1995. Forward looking statements include statements concerning the Company's plans, including its plans as to the use of the proceeds from the sale, objectives, goals, strategies, future events, future revenues or performance, capital expenditures, financing needs, plans or intentions relating to acquisitions, and other information that is not historical information. In some cases, forward looking statements can be identified by terminology such as "believes," "expects," "estimates," "may," "will," "should," "anticipates" or "intends," or the negative of such terms or other comparable terminology, or by discussions of strategy. All forward-looking statements by the Company involve known and unknown risks, uncertainties and other factors, many of which are beyond the control of the Company, which may cause the Company's actual results to be materially different from those expressed or implied by such statements. The Company may also make additional forward looking statements from time to time. All such subsequent forward-looking statements, whether written or oral, by the Company or on its behalf, are also expressly qualified by these cautionary statements. All forward-looking statements, including without limitation, the Company's examination of historical operating trends and estimates of future earnings, are based upon the Company's current expectations and various assumptions. The Company's expectations, beliefs and projections are expressed in good faith, but there can be no assurance that the Company's expectations, beliefs and projections will result or be achieved. All forward looking statements apply only as of the date made. The Company undertakes no obligation to publicly update or revise forward looking statements which may be made to reflect events or circumstances after the date made or to reflect the occurrence of unanticipated events.

The Company views book value per share, a non-GAAP financial measure, as an important indicator of financial performance. Presented in conjunction with other financial information, the combined presentation can enhance an investor's understanding of the Company's underlying financial condition and

results from operations. The definition of book value as presented in this press release is shareholders' equity divided by currently issued and outstanding shares.
